ADULT EVENING CLASSES

Tuesday and Wednesday 6-30pm to 8-30pm

A minimum of 4 participants are required for the classes to run

DRAWING AND UNDERSTANDING DESIGN

When creating an artwork you benefit from having a good understanding of drawing and how it assists in developing a strong basic design. In this workshop series, you will create interesting drawings using print media as a resource and then develop an aesthetic composition for a mono-chromatic painting on canvas.

Have fun, learn new skills and enjoy the relaxing environment!

February 23, March 2, 9 & 16
\$200 (4 sessions)

CREATING AN ABSTRACT ARTWORK

The workshops commence with drawing a range of subject matter from observation. From these drawings, you will develop a series of abstract designs, one of which will be transferred to canvas or onto paper. You will be encouraged to complete your artwork in paint, collage, drawing media, pastels or any combination of these.

You will enjoy the freedom to develop a totally unique artwork!

February 24, March 3, 10 & 17
\$200 (4 sessions)
