

# Stirling Summerset Arts Festival

## Expressions of Interest

Are you a member of a local community arts group?

Would you like your group to be involved in the City of Stirling's biggest community arts festival?

The City of Stirling is currently planning for its **2011 Summerset Arts Festival** and would like to hear from locally based visual and performing art groups to perform or exhibit during the Festival program.

### about the festival

The Stirling Summerset Arts Festival 2011 will be held at the end of January and February and feature dance, theatre, live music, art exhibitions, workshops and more. Each year the Festival attracts over 20,000 people to a range of events to celebrate the City's lifestyle and amazing climate.

The vision for the Festival is

*'To create a unique coastal festival in Western Australia that fosters tourism and the arts.'*

In 2011 the Festival will be held at numerous locations within the City of Stirling. Locations will include parks, leisure centres and community centres and of course the iconic Scarborough foreshore, utilising Perth's only beach amphitheatre featuring the backdrop of the Indian Ocean.

The Festival is a unique method for promoting and developing your group's creative skills and enhancing cultural life in the City.

### what we are looking for

For the 2011 Festival, we are seeking expressions of interest from community groups based within the City of Stirling in the areas of dance, music, theatre, visual art exhibitions, projects and installations.

The City of Stirling has a variety of venues that would be suitable to stage your event and we are looking for groups and activities all over the City. This year the City of Stirling will be hosting the festival at multiple locations, which will allow groups the opportunity to showcase their art at a convenient venue.

The Festival will provide locally based groups the opportunity to coordinate, perform or exhibit a creative project during the festival period. Groups will need to be available during 29<sup>th</sup> January to 12<sup>th</sup> February 2011 and support the Festival's vision. In turn the City of Stirling will provide infrastructure, marketing and event management where possible.

## selection process

One of the Festival's goals is to support arts & cultural development through involving a range of *local* community groups to operate arts focused events during the Festival, and we select performances and activities with this in mind.

Furthermore, due to space and time restrictions, we unfortunately have to limit the number of performances and activities in the Festival program. While every effort to be broad and inclusive is made, the completion of this application form does not guarantee you will be selected to be involved in the Festival program.

**All applications must be received by 4.00pm Monday 6 September 2010.**
